

Agents love ShowingTime's enhanced feedback ... it helps them market themselves with no extra effort. ShowingTime Enhanced Feedback generates more feedback while putting the spotlight on your listing, your company and you.

Feedback Work Flow

1. Feedback request is emailed to showing agent within one hour of the showing.
2. Second, third & fourth requests are sent later if feedback is not received; you decide how often and when to send them.
3. Once received, you review the feedback and publish it, making it available to your seller.
4. ShowingTime creates a unique showing activity website for each seller to access 24/7.
