

Contract is done. You represent the buyers. Do they need the contact information for the gas, electric or cable TV companies? How about the local schools or the post office?

Here are the very simple instructions for you to be the information expert in the eyes of your buyers. Every town in MRED is a click away - every handy phone number your buyers need is right here! You have two options:

- On every page in connectMLS™, there is a wrench icon  in the upper right hand corner. Click on that and a drop down menu appears that includes a link to the MRED City Info Pages. Click on that link and the City Info Pages home will appear. Simply click on the town you are interested in.

NOTE: this link also appears on the My MLS home page in the Tools, Resources & Links section.

- You can also click on the City Info link in any listing on the Additional Information drop down menu for that listing. The city that pops up is the city where the listing is located.

This is so easy to use you will not need to contact MRED's Help Desk, but here is their information anyway: 630-955-2755 or help.desk@mredllc.com.
